

# The Go-To Tax and Accounting Solution for 5,000+ Startups

## HOW WE CAN HELP

### Big firm strength. Small firm service.

- Working with startups for over 20 years.
- Serviced 5,000+ startups including startups from Y Combinator, StartX and Techstars.
- Income tax compliance, R&D studies, and other support services to ensure you are IRS-compliant.
- There is no commitment, obligation, or upfront fees.
- We scale with you from Seed to C.

## OUR CLIENTS LOVE US

### Working with you. Side by side.

**“Accountalent is the best firm for startups** – responsive, knowledgeable, price-efficient. **I worked with them in three startups and referred many of my founder friends.”**

**Sahin Boydas**  
CEO & Founder
